

**8600010 ZONE**

Built to maximize field of vision through a rimless frame, Zone provides the total package for on-the-field training and outdoor workouts. Titanium Grilamid frame material provides a lightweight feel and strength for impact. The Three-Point Grip adds another layer of comfort and a premium fit.

**FEATURES // BENEFITS**

- ArmourFusion™ Frame // Lightweight, strong, inherent memory
- ArmourSight™ Lens Technology // Provides the wearer with up to 20% enhanced visor edge to edge, delivered in a lens that is up to 10 times stronger than polycarbonate lenses
- Three-Point Grip // Ensures a comfortable and a secure fit by ergonomically clinging to head
- Cushioned Hinge // Hinge impact zone absorbs shock and ensures a customized fit
