

DUDLEY®

AMERICA'S PREMIER SOFTBALL COMPANY

2016 SOFTBALL CATALOG

1938

Dudley founded by George Dudley Full.

DUDLEY®

QUALITY, CONSISTENCY AND DURABILITY

1965

Dudley becomes the first company to make cork & rubber center softballs (which quickly became the number one ball of choice).

1984

Dudley launches the "Thunder" series of softballs

1990

Dudley develops its first polyurethane core softball for improved quality, consistency, and durability.

1997

Dudley introduces the patented Thunder ZN which is the first composite cover softball providing great feel and playability.

2003

Dudley introduces the patented Thunder Advance multi-layer softball bringing unmatched durability and performance to softballs.

TODAY

Dudley currently has more fast pitch NFHS state adoptions than any other company in the softball industry. Dudley Softballs are also the ball of choice across several associations, and requested by more of the top softball players across the country.

DUDLEY

SOFTBALL SERIOUS

LIGHTNING LEGEND™
SENIOR SOFTBALL BAT SERIES

GRIP SPIN TECHNOLOGY™:
An innovative advancement engineered into your bat barrel that allows the barrel surface to "grip" the ball on a cut-swing and increase its spin revolutions.

This can cause it to rise higher, stay in the air longer and result in longer distance hits.

If you are looking for maximum distance, then "Grip It and Spin It!"

Sizes Available: 34/26, 34/27, 34/28, 34/29

Engineered with Dudley's® Innovative GRIP SPIN TECHNOLOGY™ to maximize the ball's flight characteristics and distance

The Dudley® Lightning Bolt End Cap helps with rotating your bat to get the maximum life out of the barrel
