# BE A GAME CHANGER

Baseball continues to be a driving force at New Balance.

We're investing heavily in product innovation to create the best cleats, apparel and uniforms that the game has ever seen. We're collaborating with elite players to understand their performance needs, and ultimately be the most authentic brand in the game and #1 in the category.

Our presence across the big league is growing at a rapid pace, and this year will be a huge year for NB baseball.

**GET READY—WE'RE CHANGING THE GAME.**

# THE GAME CHANGER

We've built elite-level Game Changers throughout the country by demonstrating our authenticity as the player's brand. In FY'16, we'll continue to drive home our story and unique voice, with high performance products and best-in-class retail experiences. Get ready, we're taking over the game.

## 4040v3

- All over synthetic Upper
- NB Baseball Data Driven Platform
- Debris-Free Tongue

This year, we have three distinct platforms with a unique style all their own. The 4040v3 combines swagger-worthy style with a Data to Design insert that helps generate power during the game. The 406 continues the Data to Design story, but gives the inventive player unrivaled stability and a minimal underfoot feel. The 3000v3 takes our clean, classic heritage look and combines it with 360° of comfort for the Game Changer that plays hardest on the field.

## 3000v3

- Synthetic / Mesh
- Comfort collar
- Synthetic leather tongue overlay

## 406v1

- Bootie Construction
- Comfort Collar
- Flex Plate Construction

+ Adaptive Stretch Upper

+ No-Sew Material Application

Designed to help make athletes quicker, the Vazee Quick is explosive from the first step to fast cuts. Aggressive outsole lugs and QUIX technology allow for superior traction, while a REVLite midsole provides lightweight comfort. An adaptive-stretch upper with a PhantomFit panel helps lock your foot in place during dynamic movements.

- + ACTEVA Midsole
- + No-Sew Material Application

- + Synthetic/Mesh Upper

Minimus footwear has found a home in the gym. The lightweight 730v2 is no stranger to heavy lifting and tough training regimens. The more natural midsole position and Meta Support TPU overlays help you remain stable while throwing around some big iron. This is the ultimate athlete's tool for performance training.

- + 4 MM Drop
- + Vibram® Outsole

- + Asym Collar
- + Synthetic/Mesh Upper

- + Burrito Tongue

Putting you in a more natural position, the 20v5 gives athletes a more ground feel during strength training. A Vibram® outsole increases durability and a REVLite midsole provides lightweight responsiveness. The burrito tongue and new asym collar with molded foam allows for a more natural heel fit.
