PTS30 LITE...●●●

At Richardson, we are always looking for what's next. Players continue to demand a hat that looks cool, performs on the field, and fits the right way. With that in mind, we got to work and came up with the newest addition to the PTS line. The lightest cap in our PTS Line also features laser vented back panels for extra breathability and that extra cool factor.

SCREEN PRINTED DESIGN CHOICES:

LIFESTYLE

Our new lifestyle section features on-trend headwear styles built for comfort and fashion without sacrificing quality and fit. This year we've moved styles previously found in our golf section and our running caps into a new Lifestyle – Active section on page 28.

WHAT'S NEW

2 STYLES RESURFACE FROM THE VAULT

113 FOAMIE TRUCKER

We've put our high quality twist on the popular foam style that is a street wear favorite.

811 & 812 BUCKET CAPS

Our newest bucket caps, built with a nod to fashion. They're 100% cotton, the 811 features an accent band and the 812 an old school 3 stripe band. Both are available in a variety of stylish color options.

NEW COLORS

Our 114 Screen printed trucker now features not only new plaid colors, but Island Print, and Army and Digital Camo Patterns.

We've added many new colorways to our 111, 112 and 325 styles.

Loden and Tiger Camo options are now available in our 510, 511, and 112 styles.

CLOSEOUT

There comes a time in a cap's lifecycle where we must let them ride off into the sunset like an old grizzled cowboy. Truth is, we don't have room for them anymore because we're adding so many exciting new styles. Don't worry, the way trends work – they'll be back. But for now, take advantage of the discounting.
