GRASP the
REALITY of **INSANE**
PERFORMANCE

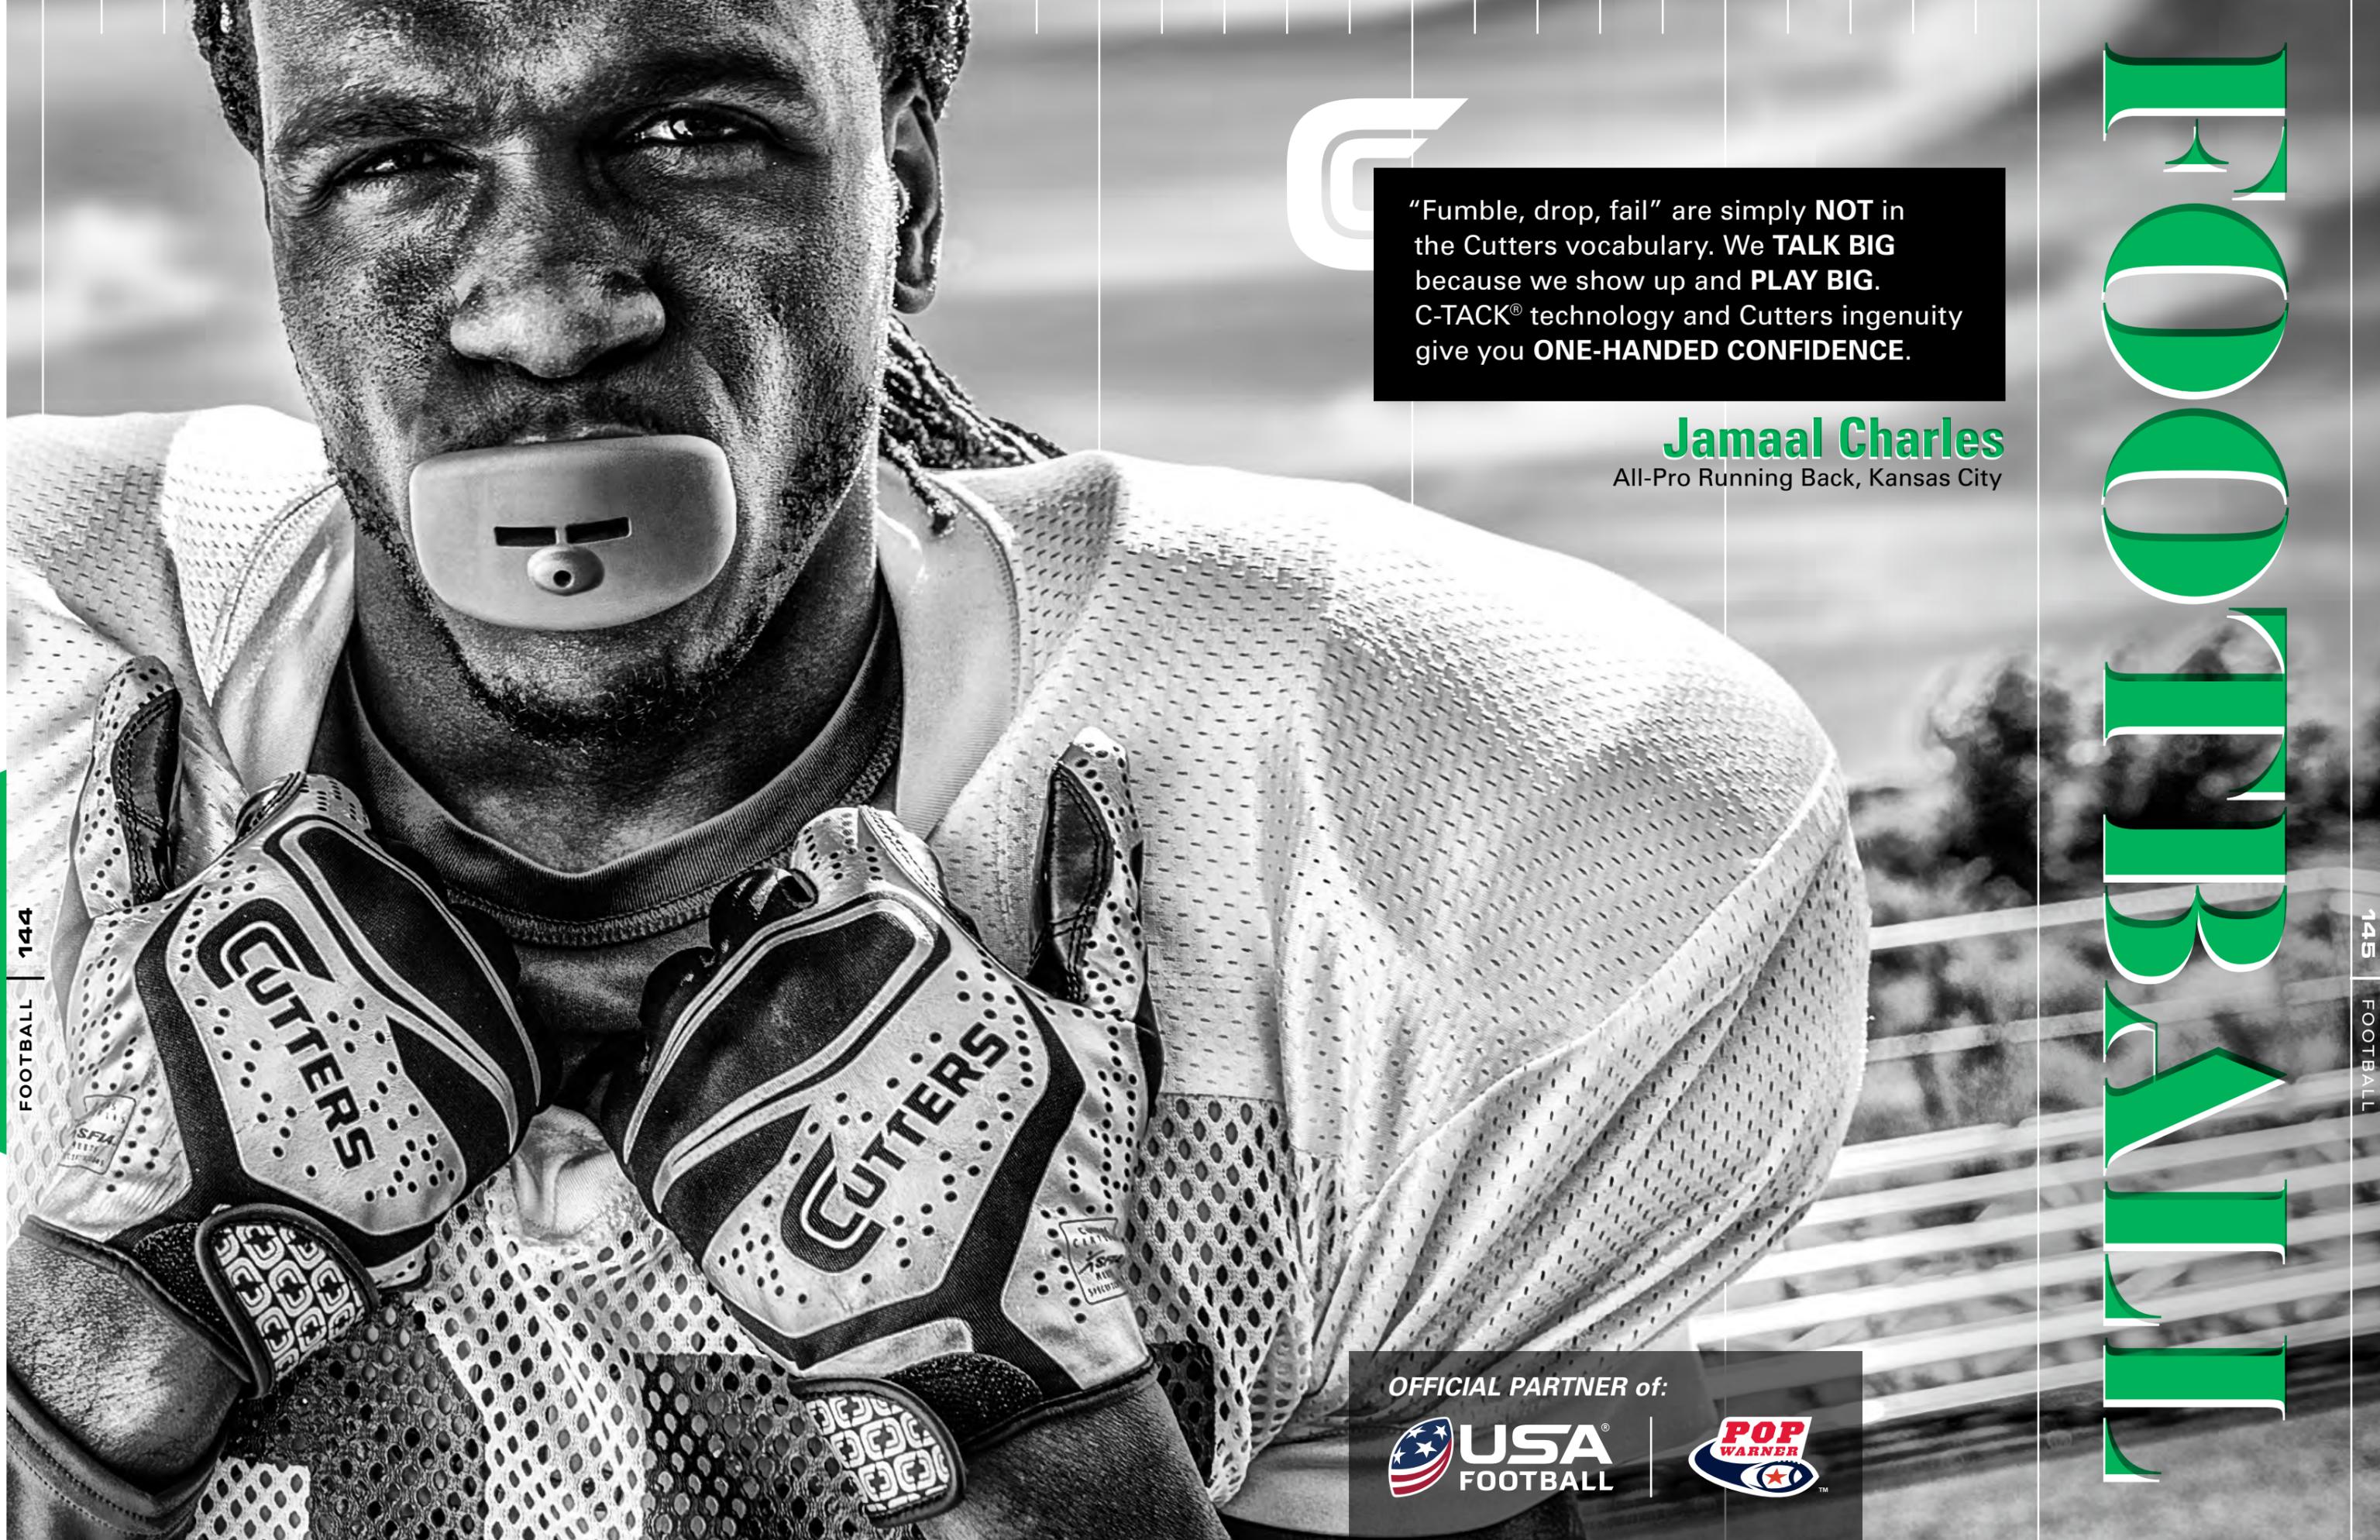

SIMPLY SAID, "CUTTERS GLOVES OUTPERFORM ALL OTHER GLOVES."

Simpler said, "We provide a grip that will not fail." Simplest said, "Holy #*%! these gloves rock!" Cutters is about unrelenting precision and unwavering *perfection*. Whether it's a bat or a football or whatever needs NOT to be dropped, Cutters has the answer. We've made our reputation with the best gloves in the biz, but we also place our name on an array of other sport-specific products...all equally gripping in their excellence. **GRASP BRILLIANCE.**

OFFICIAL PARTNER of:

FOOTBALL

BEST GRIP IN THE WORLD

BE MORE RECEPTIVE & MORE DISRUPTIVE
Our line of receiver gloves share C-TACK® palms with extended wrist for the best grab in the biz, plus flexible backhands for lightweight, speedy comfort.

We are the pioneers of performance grip. Other companies have attempted to meet our standards, but they don't match our grip, durability or overall performance. Our grip is a trade secret.

Cold, rain or shine our gloves will perform without compromise in all weather conditions.

Specification for
NFHS/NCAA Play

Self-restoring grip material. Simply wipe down with a damp cloth when dirty.

All of our gloves are machine washable, it is recommended that you wash your gloves often to help clean and maintain the grip and life of your glove.

S541 | REV PRO 3D 2.0

The ultimate lightweight, breathable, form-fitting receiver glove, with triple contour C-TACK® palm. Lightweight mesh and strategic low profile overlays on the back of the hand provide maximum comfort, support and ventilation.

- Perforated C-TACK® performance grip material for extreme grip and added ventilation
- Triple contour C-TACK® palm with integrated flex zones help eliminate material bunching and enhance thumb and finger dexterity
- Lightweight mesh on back of hand for superior comfort and maximum ventilation
- Low profile strategically placed overlays for added lightweight support
- Finger-lock gussets help eliminate unwanted finger material slippage
