FANTOMFIT

## TECHNOLOGIES:

From Champ, the world leader in Sport Cleat technology, Slim-Lok is an extremely thin and light locking cleat system.

An innovative foam compound providing the same responsiveness and durability of New Balance foams 30% heavier. REVLite offers a lightweight ride without minimizing construction or sacrificing underfoot cushioning or stability.

A high rebound foam designed to inject new levels of energy and comfort into performance footwear. With substantially more rebound than any of our standard performance foams, it's game-changing performance

A skeletally engineered upper that provides ultralight support and fit.
