adiZero™ RS7 Pro

\$200.00
\$11000S

Rugby is a fast and powerful game. The new adiZero™ RS7 Pro is the first ever lightweight rugby-specific boot. It combines light weight and stability to offer the fastest and lightest boot around. SPRINTSKIN upper, TPU support bands, sprint frame, exchangeable screw-in studs and aggressive colors will dominate the rugby pitch. It is the perfect union of speed and style. **Upper:** Internal TPU support bands offer increased stability and support in lateral and medial movements. SPRINTSKIN is a revolutionary single-layer synthetic for incredible ball feel and reduced weight. TPU bottom frame reinforces the upper and prevents abrasion in the kicking area. Synthetic print added to medial forefoot to increase control when kicking. **Inlay:** Delivered with the ultralight sockliner in the shoe. **Outsole:** A new TRAXION™ stud shape for maximum acceleration and speed on soft and wet surfaces. Mix of molded TRAXION™ studs and exchangeable aluminum studs. The sprint frame construction uses geometrical learnings and a new stud shape to offer the perfect balance between light weight and stability.
