Division of Johnson & Johnson Consumer Companies, Inc.

THE JOHNSON & JOHNSON DIFFERENCE

No company can claim the history that Johnson & Johnson can when it comes to developing innovative wound care products for patients and health care professionals.

Since 1924, Johnson & Johnson has produced the highest quality athletic tapes and wraps for all levels of Certified Athletic Trainers. Our COACH®, ZONAS®, ELASTIKON® and J-WRAP® products continue to provide you and your athlete with unparalleled value and performance.

Today, we offer a complete line of wound care products that are now available to all health care professionals. This catalog provides information for our BAND-AID® Brand line, Johnson & Johnson First Aid Brand products, Johnson & Johnson Home Health Care products as well as our Sports Medicine Tapes and Wraps.

And, as a founding sponsor of both the NATA and the NATA Research and Education Foundation, Johnson & Johnson remains committed to advancing the quality of athletic health care.

TAPES AND WRAPS

COACH® and ZONAS® Athletic Tapes

Speed Pack® Travel Trays – improves protection of athletic tape in transit

COACH®

- Our most popular, high tensile cloth tape helps prevent tape breakage
- Uniform tension provides ideal and consistent unwind
- Allows perspiration to escape from skin to help reduce irritation
- Back cloth treated to achieve maximum adhesive mass anchorage
- All natural fibers
- 100% cotton cloth

ZONAS®

- Our highest tensile strength for a stronger tape
- Uniform tension provides ideal and consistent unwind
- Allows perspiration to escape from skin to help reduce irritation
- All natural fibers
- 100% cotton cloth

Code	Product Name	Length	Rolls/cs
005187	COACH® Porous Tape	2" x 15 yds/roll	24/cs
005188	COACH® Porous Tape	1 1/2" x 15 yds/roll	32/cs
005189	ZONAS® Plain Tape	1 1/2" x 15 yds/roll	32/cs
005190	ZONAS® Porous Tape	1 1/2" x 15 yds/roll	32/cs
005191	ZONAS® Porous Tape	2" x 15 yds/roll	24/cs

ZONAS® Porous Tape

- Pinked edges facilitate tearing without scissors
- High tensile strength helps prevent tape breakage
- Allows perspiration to escape from skin to help reduce irritation
- 100% cotton cloth

ELASTIKON® Elastic Tape

- Pliable soft cotton features bi-directional flexibility
- Allows uniformity as a pressure dressing
- Uniform tension provides ideal and consistent unwind
- Elasticity provides better conformity
