## MVA200

Official FIVB Game Ball

The new MVA200 changed the way we all look at volleyballs. The unique 8 panel design and aerodynamic dimpling offers better stability and ball control. Never has there been a more highly engineered ball with such worldwide acceptance. The MVA200 has become the ball of choice for all nations and the FIVB.

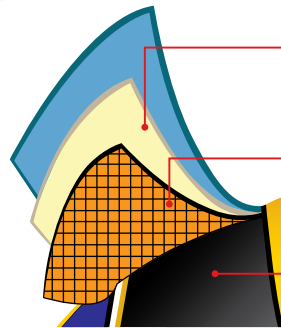

**MSRP:** \$69.99

**DESCRIPTION:**

- Unique 8 panel design
- Advanced aerodynamic engineering
- Embossed and dimpled surface
- Exclusive soft micro-fiber cover
- Nylon wound center
- Retail package available
- Size 5 - Official

**MVA200 Construction:**

- **Rubber Layer**  
By coating the natural rubber, it improves the touch and decreases the impact power of the ball.
- **Nylon Winding Layer**  
By winding the highly flexible nylon thread, the ball is kept durable and at the same time round at sphericity.
- **Bladder**  
To lessen the permeability of the air, the butyl rubber is applied to the bladder.
