## ART & GENERAL INFORMATION

Illustrations shown throughout this catalog are representations of Sublimated uniforms. Actual designs may vary slightly.

**STOCK ART:**  
All graphic designs shown on garments throughout this catalog are available. If you have a specific layout or concept in mind other than what is shown, please be sure to describe it in detail on the order form. A vast library of art, such as mascots, sport logos, etc., are also available on the Uniform Builder and upon request.

**CUSTOM ART:**  
No art charge for stock designs or numbers. Extra art charges may apply for custom design artwork. Complex logos and artwork will incur **an additional art charge at the rate of \$120.00 per hour**. A high-resolution digital vector file must be provided for artwork; any other format may incur an additional art charge. Please contact Alleson Athletic Customer Service at 1-800-641-0041 for specifics on art requirements.

We reserve the right to adjust the size of layout/letters to fit the garment in the most attractive way possible. In certain situations, a similar lettering style to the one requested may have to be substituted to accommodate layout.

All orders must be submitted to an Alleson Athletic Customer Service Representative at:  
**Email: [sublimation@alleson.com](mailto:sublimation@alleson.com) or Fax: 1-800-836-0775**

GENERAL INFORMATION

Alleson reserves the right to adjust the lead time based on the size of the order and availability of capacity. Orders do not officially begin until all size/order information is received and complete. Orders will be confirmed via email within 2 business days of receipt. Incomplete orders will be sent back to customer for more information until all information needed to process the order is provided. Delivery dates will be quoted in each order confirmation and will be based on current capacity. All orders must be submitted to an Alleson Athletic Customer Service Representative at:  
**Email: [sublimation@alleson.com](mailto:sublimation@alleson.com) or Fax: 1-800-836-0775**

COLOR MATCHING:

Scientifically, it is not possible to achieve a perfect color match from one Sublimated garment to another, or from Sublimated garments to Alleson stock garments. Therefore, we cannot guarantee a perfect match from order to order or from one fabric to another.

ARTWORK APPROVAL POLICY:

Alleson Athletic will not begin production on any order **until a written artwork approval is received or submitted through the Alleson Athletic Uniform Builder or B2B (Green Order)**. Signed artwork approvals must be faxed or emailed to Alleson Athletic Customer Service, Attn: Sublimation. Production will begin upon receipt of approved artwork (this policy is also in effect for repeat or As Had orders). We cannot accept changes to any order after artwork approval is received.  
**Email: [sublimation@alleson.com](mailto:sublimation@alleson.com) or Fax: 1-800-836-0775**

MINIMUM ORDER CHARGES:

There will be a 25% up-charge for orders of less than 6 pieces per style, per color. No minimum up-charge for fill-in orders with the same designs.

PHOTOGRAPHY RIGHTS:

Photography is the property of Alleson Athletic and is not to be used without written authorization.

DEALER PRICING RESTRICTIONS:

Dealers are not to publish Alleson Athletic products below 25% off of our suggested retail price as presented in the catalog. Failure to comply will result in account termination.

SUBLIMATION ORDERS FOR COD / CC SHIPMENT:

A 50% deposit is required on all Sublimation orders paid for by Credit Card or calling for COD shipment. The balance and freight will be charged upon shipment of the order.

CD TECHNOLOGY:

Featured on stretch mesh football jerseys (Fabric Y) and mock woven football pants (Fabric J). CD Technology is used to pull color through the deepest fibers of our heaviest lycra fabrics for a rich, highly saturated, no "grin through" appearance while worn. CD Technology has no impact on color consistency from fabric to fabric.

RETURNS:

All Sublimated uniforms may not be returned under any circumstances if delivered properly. Claims must be reported to our office within 10 working days of merchandise receipt. Returns cannot be made after 30 days of the invoice date. All returns must be clearly marked with an authorization number or label obtained from our office. When requesting an authorization label, the following information is required: Reason for return, Invoice #, Style #, Color, Size/Quantity. An authorization label will then be sent to you to prepare the merchandise returned. A 15% fee and shipping charges will be charged for merchandise returned that is either not damaged or the damage is determined not to be our fault. All worn garments must be properly laundered prior to return or they will not be accepted.

SHORTAGES:

All claims must be made within 10 days of the invoice date.

ORDER CANCELLATIONS:

Sublimated garments cannot be canceled after they have been cut.

CARE INSTRUCTIONS

To enhance the appearance and extend the life of your Sublimated uniforms, Alleson Athletic recommends that you follow these cleaning and storing procedures:

DO NOT DRY CLEAN

DO NOT WASH IN HOT WATER

DO NOT USE CHLORINE BLEACH

DO NOT USE FABRIC SOFTENER

DO NOT WASH WHITES AND COLORS TOGETHER

DO NOT OVERLOAD THE WASHING MACHINE

DO NOT MACHINE DRY ON HIGH HEAT

DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration. Wash inside out.
- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage and discoloration.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

**PLEASE NOTE:** Alleson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.

**Under no circumstances are Sublimated garments to be put through a screen print dryer. Dyes will migrate and the design will be ruined.**

## UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Alleson Athletic recommends that you follow these cleaning and storing procedures:

Do Not Dry Clean

Do Not Wash in Hot Water

Do Not Use Chlorine Bleach

Do Not Use Fabric Softener

Do Not Wash Whites and Colors Together

Do Not Overload the Washing Machine

Do Not Machine Dry on High

Do Not Leave Wet or Damp Garments in Your Travel Bag, in a Pile With Other Clothing or in Washing Machine

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration.

- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

*PLEASE NOTE: Alleson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.*

## GUARANTEE:

The materials and workmanship of our garments are guaranteed when given fair treatment and used under normal conditions. See care instructions on page 210 or details.
